

Risk Assessment For Radicalisation and Extremism

Policy Code:	SG4
RA Start Date:	September 2025
RA Review Date:	September 2026

Identify the Risk:	Who might be harmed and how:	Risk Level (as identified by the SE framework)	Existing precautions:	Any additional precautions needed:
Pupil's Special Educational Needs: Our pupil's SEND may impact their ability to identify and respond to risk, and this increases their vulnerability. Pupils may struggle to understand how to maintain healthy relationships, and their perception of physical and emotional safety may be significantly delayed or under-developed	All pupils radicalised by factors internal or external to the school: Pupils are unknowingly exposed to messages, images or articles in support of extremism, terrorism or those which contradict 'British Values'	Medium	Bespoke curriculum including RSE, PSHE and computing; to provide pupils with a curriculum which allows them the knowledge, skills and attributes they need to manage their lives, now and in the future. - To prepare pupils to be independent and more responsible members of society, providing them with the tools to play a positive role in contributing to the life of the school and the wider community - To focus on preparing pupils with the knowledge, skills and attributes to stay healthy and safe, while preparing them to make the most of life and work. - To ensure pupils develop an appropriate knowledge and understanding of relevant political and social institutions that affect their lives. - To focus on pupil responsibilities, rights and duties as individuals and members of communities. - To focus on empowering pupils to access information that enables them to make informed decisions about their learning, health and wellbeing. - A range of activities throughout the school are implemented to promote the spiritual, moral, social and emotional needs of pupils	The use of visiting speakers to enhance the curriculum offer (see identified risk).

Pupils' online activity and behaviour inside and outside of school.	All Pupils: Pupils access extremist or terrorist material whilst using school networks both intentionally and unintentionally. All pupils access extremist or terrorist materials out of the school setting, intentionally and unintentionally.	Medium	aimed at protecting them from radical and extremist influences. - All pupils access a weekly British Values lesson to enhance, develop and promote the fundamental British Values. - Appropriate filters in place on all school devices, which reduce the risk of pupils being able to access inappropriate information via the school ICT system. - SENSO software implemented on all pupil laptops/computers which monitor and inform DSL/DDSL of violations. - Weekly report produced to analyse individual pupils use and identify patterns of concern and trending inappropriate interests. - DSL/DDSL communicates regularly with statutory partners and agencies regarding a range of concerns. - Computing curriculum incorporates opportunities to learn and share knowledge, skills and experiences of technology and emphasises how online safety is paramount within the world we live in. - Positive relationships with parents and carers are based on open communication regarding concerns about pupils inside and outside of school. - E-Safety resources and updates shared with parent and carers, including specific pages on the school website to support them in keeping their children safe online at home.	Effective multi-agency referrals to address and support concerns.
